

MEDICAL BOARD STAFF REPORT

DATE REPORT ISSUED: July 11, 2008
DEPARTMENT: Licensing Program
SUBJECT: Special Faculty Permit Review Committee Appointment
STAFF CONTACT: Deborah Pellegrini

REQUESTED ACTION:

Approval of the appointment of F. Allan Hubbell, M.D. to serve on the Special Faculty Permit Review Committee.

STAFF RECOMMENDATION:

The University of California, Irvine (UCI) has nominated Dr. F. Allan Hubbell as their new representative for the Special Faculty Permit Review Committee. This nomination comes as a result of the retirement of Dr. Jeremiah G. Tiles. Staff recommends approval of Dr. Hubbell's appointment to represent UCI on the Special Faculty Permit Review Committee.

EXECUTIVE SUMMARY:

Section 2168.1 (c) of the Business and Professions Code states the Board shall establish a review committee comprised of two members of the Board, one of who shall be a physician and surgeon and one of whom shall be a public member, and one representative from each of the medical schools in California. The committee shall review and make recommendations to the Board regarding the applicants applying pursuant to this section, including those applicants that a medical school proposes to appoint as a division chief or head of a department or as nontenure track faculty.

Due to the retirement of Dr. Jeremiah G. Tiles, from the University of California, Irvine on July 1, 2008, a new representative to serve on the Special Faculty Permit Review Committee has been nominated by the medical school dean. Please find attached for your review the nomination letter and Curriculum Vitae for Dr. Hubbell.

FISCAL CONSIDERATIONS:

None.

PREVIOUS MBC AND/OR COMMITTEE ACTION:

In both February and April 2007, the Board accepted and approved nominations for representatives to this Committee.

California Medical Board
Attention: Cindi Oseto
2005 Evergreen Street
Suite 1200
Sacramento, CA 95815

Dear Ms. Oseto,

I, hereby, nominate Dr. F. Allan Hubbell as the new representative to the Special Programs Board from the University of California, Irvine. The current representative, Dr. Jeremiah G. Tilles, will be retiring effective July 1, 2008.

Very sincerely yours,

A handwritten signature in black ink that reads 'David N. Bailey'.

David N. Bailey, M.D.
Vice Chancellor, Health Affairs

C: F. Allan Hubbell, M.D., M.S.P.H.
Senior Associate Dean

CURRICULUM VITAE

F. Allan Hubbell, M.D., M.S.P.H.

Professor of Medicine and Public Health
Senior Associate Dean for Academic Affairs
School of Medicine
University of California, Irvine

Moody C. Bettis Award for Excellence in Community Medicine, Baylor College of Medicine, 1974
Hamilton Fish Scholarship, Baylor College of Medicine, 1971-74

Contracts, Grants and Research Awards:

- Current Research

Name: Women's Health Initiative: Clinical Center for the Clinical Trial and Observational Study (N01 WH4-2107)
Funding Agency: National Heart, Lung, and Blood Institute
Role: Principal Investigator (5% effort)
Amount: Total direct costs - \$10,845,779; Current year - \$231,493
Dates: October 1994 - September 2010

- Current Research (continued):

Name: Women's Health Initiative Memory Study (CT 22775)
Funding Agency: Wake Forest University School of Medicine
Role: Principal Investigator (subcontract, 2% effort)
Amount: Total direct costs - \$179,112; Current year - \$29,852
Dates: June 1996 - May 2010

Name: Health Disparities and Outcomes Research Committee
Funding Agency: University of Michigan/Southwest Oncology Group
Role: Principal Investigator (subcontract, 7.5% effort)
Amount: Total direct costs - \$10,761; Current year - \$10,761
Dates: March 2008 – December 2008

Name: Single Visit Cervical Cancer Prevention Program (R01 CA76502)
Funding Agency: National Cancer Institute
Role: Co-Investigator (5% effort)
Amount: Total direct costs - \$2,132,326; Current year - \$409,263
Dates: July 1998 - June 2008

- Completed Research

Name: Pacific Islander Cancer Control Network (U01 CA86073)
Funding Agency: National Cancer Institute
Role: Principal Investigator (20% effort)
Amount: Total direct costs - \$3,021,857
Dates: April 2000 – March 2007

Name: University of California Irvine Cancer Center Support Grant (P30 CA62203)
Funding Agency: National Cancer Institute
Role: Co-Leader, Population Sciences Research Program (5% effort)
Amount: Total direct costs - \$8,073,125; Current year - \$868,005
Dates: September 1994 - August 2006

Name: A Randomized Controlled Trial of Fat Reduction, Calcium/Vitamin D Supplementation,
Hormone Replacement Therapy, and Risk of Proliferative Forms of Benign Breast Disease:
Women's Health Initiative Ancillary Study
Funding Agency: Albert Einstein College of Medicine
Role: Principal Investigator (subcontract, 2% effort)
Amount: Total direct costs - \$24,000
Dates: July 2001 – June 2006

Name: A Network Based Intervention for Chamorros in Southern California (7BB-1901)
Funding Agency: California Breast Cancer Research Program
Role: Co-Investigator (5% effort)
Amount: Total direct costs - \$206,214, Current year - \$76,260
Dates: July 2001-June 2004

- **Completed Research** (continued):

Name: Women's Health Initiative-Sight Examination (Subcontract #970423)

Funding Agency: University of Michigan

Role: Principal Investigator (subcontract, 2% effort)

Amount: Total direct costs - \$129,362, Current year - \$61,020

Dates: February 2000 – December 2004

Name: Latina Cervical Cancer Survivorship: A Developmental Study (R21 CA97191)

Funding Agency: National Cancer Institute

Role: Co-Investigator (2% effort)

Amount: Total direct costs \$200,000, Current year - \$100,000

Dates: July 1, 2002 – June 30, 2004

Name: UCI/UCSD Cancer Genetics Network (U24 CA78134)

Funding Agency: National Cancer Institute

Role: Co-Investigator (5% effort)

Amount: Total direct costs - \$2,221,219, Current year - \$613,756

Dates: March 1998 - February 2004

Name: University of California Irvine Cancer Center Support Grant Supplement: Innovative Cancer Control Initiatives in Cancer Centers (P30 CA62203)

Funding Agency: National Cancer Institute

Role: Co-Principal Investigator (5% effort)

Amount: Total direct costs - \$300,000

Dates: March 1999 - February 2002

Name: Addressing Survey Implementation Issues among Urban American Indians

Funding Agency: The California Endowment

Role: Principal Investigator (15% effort)

Amount: Total direct costs - \$201,976

Dates: February 2000 – January 2002.

Name: Access to Public Health Insurance among Urban American Indians in California

Funding Agency: Tomas Rivera Policy Institute

Role: Principal Investigator (15% effort)

Amount: Total direct costs - \$204,000

Dates: April 2000 – March 2002.

Name: Myocardial Ischemia and Migraine Study: Ancillary Study Women's Health Initiative

Funding Agency: Maryland Medical Research Institute

Role: Principal Investigator (2% effort)

Amount: Total direct costs - \$59,845

Dates: July 1998 – June 2001

Name: Samoans and Breast Cancer: Evaluating a Theory Based Program (4BB-1401)

Funding Agency: University of California Breast Cancer Research Program

Role: Co-Investigator (5% effort)

Amount: Total direct costs - \$153,955

Dates: July 1998 - June 2001

- Completed Research (continued):

Name: Cancer Control Needs among Native American Samoans (U01 CA64434)
Funding Agency: National Cancer Institute/National Office of Samoan Affairs
Role: Principal Investigator (20% effort)
Amount: Total direct costs - \$481,727
Dates: October 1994 - September 2000

Name: Medical Education for the 21st Century
Funding Agency: PacifiCare Health Systems Corporation
Role: Co-Investigator (10% effort)
Amount: Total direct costs - \$769,628
Dates: July 1997 - June 2000

Name: Impact of Latina's Beliefs about Cervical Cancer on Pap Smear Use
Funding Agency: Chao Family Comprehensive Cancer Center
Role: Principal Investigator (5% effort)
Amount: Total direct costs - \$9,972
Dates: November 1997 - October 1998

Name: Training Program in Primary Care Internal Medicine (D28 PE19154)
Funding Agency: Department of Health and Human Services
Role: Principal Investigator (25% effort, 1993-97); Associate Director (30% effort, 1990-93); Co-Investigator (40% effort, 1984-90)
Amount: Total direct costs - \$2,981,870
Dates: July 1979 - June 1997

Name: Cancer Control among Hispanic Women (R01 CA52931)
Funding Agency: National Cancer Institute
Role: Principal Investigator (30% effort)
Amount: Total direct costs - \$767,831
Dates: September 1991 - August 1995

Name: Cancer Control Career Development Award for Primary Care Physicians
Funding Agency: American Cancer Society
Role: Faculty Mentor (10% effort)
Amount: Total direct costs - \$55,000
Dates: July 1993 - June 1995

Name: Cancer in the Latino Community
Funding Agency: Latino Related Organized Research, University of California, Irvine
Role: Co-Investigator (10% effort)
Amount: Total direct costs - \$7,000
Dates: July 1991 - June 1992

Name: Baseline Laboratory Testing in the Elderly
Funding Agency: Academic Geriatric Resource Center, University of California, Irvine
Role: Principal Investigator (5% effort)
Amount: Total direct costs - \$2,500
Dates: July 1989 - June 1990

- Completed Research (continued):

Name: Community-Oriented Surveillance of Health Care in Orange County, California
Funding Agency: Center for Orange County Research
Role: Principal Investigator (5% effort)
Amount: Total direct costs - \$5,000
Dates: July 1988 - June 1989

Name: Needs Assessment of Health Services for Residents of North Orange County
Funding Agency: St. Joseph Health System Foundation
Role: Co-Investigator (10% effort)
Amount: Total direct costs - \$50,018
Dates: July 1987 - June 1988

Name: Residency Training Program in General Internal Medicine (5 D28 PE19175)
Funding Agency: Department of Health and Human Services
Role: Co-Principal Investigator (30% effort)
Amount: Total direct costs - \$225,000
Dates: July 1984 - June 1987

Name: Residency Training Program in General Internal Medicine (D28 PE19162)
Funding Agency: Department of Health and Human Services
Role: Co-Principal Investigator (30% effort)
Amount: Total direct costs - \$275,000
Dates: July 1980 - June 1983

Offices in Professional Societies:

Co-Chair, Health Disparities and Outcomes Research Committee, Southwest Oncology Group, 2008-present
Scientific Program Director, Southwest Region, Society of General Internal Medicine, 1987-88
Co-Chair, Southwest Region, Society of General Internal Medicine, 1983-86

Membership on Journal Editorial Boards:

American Journal of Medicine, Editorial Board, 2005-present
Cancer Detection and Prevention, Guest Editor, 2008
The Clinical Journal of Women's Health, Editorial Board, 2000-02
Health Education Quarterly, Guest Editorial Board, 1994-96

Service to Professional Societies:
